Discussion and possible action regarding a proposal from Glen Acklin, in the amount of \$2,000.00, to move the water line located 5551 W. Hillside Cove.

Diana provided the Board with a letter from Reynolds, the property owner, agreeing to grant an easement for the new water line location. Jennifer will contact Granite Basin to get a legal description written for the easement. Jennifer was asked to contact the insurance company and confirm coverage on the backhoe and then request a reduced construction price from Acklin if he uses the District's backhoe on this project.

Motion: made by Director Carr to approve the proposal from Glen Acklin to relocate the water line for \$2,000 or less, second by Director Barnard.

Unanimous Approval
